“ I will never forget you, my love;  
your fire burns too bright.  
We knew the moment we first met,  
that it was love at first sight.  
How I'll miss your infectious laugh,  
your smile filled my soul.  
Always having each other's back,  
happiness was our goal.  
Whatever challenges life may bring,  
or where my journey leads,  
I know I'll make it through just fine,  
because you're watching me.

So rest my love and be at peace,  
your soul is finally free;  
I'll tuck our memories inside my heart,  
for all eternity.
