“ My condolences and prayers for the Bowser family. I met Aaron as a hair club member. Our first meeting was shakey as Aaron was one that would tell you what you should do and I was one that knew what I wanted. I soon realized that as a stylist Aaron could make magic. We started again and we began having conversations about family and church and things that we laughed about. He talked about mom & grandma alot. Aaron style and cut my hair a few days before Christmas. He gave me some excellent advise and he said see you in two weeks. It was with great sadness when I learned that Aaron had passed on. The lord decided to bring one of his angels home. I pray that the family will look to the father our lord for comfort and peace. Always keep the memories alive in your heart and Aaron will still live within you!
