“ To the family, thank you for sharing your mother/grandmother with me. She was there for me since the passing of my mother back in 2005. She was like a big sister to me and sometimes like a mom. I will never forget her thoughtfulness and kind spirit. Even after I left Bold St, she still took the time to listen and allow me to cry on her shoulders. She gave me strength to carry on through some very difficult and trying times. I will always cherish those memories. Rest in peace Annette. God got him another angel. My condolences to each and everyone of you. Valarie Peterson & Family.
