“ The Holley's send our condolences to you Adonica and the family during this time of loss. Adonica was a jewelry consultant on my Paparazzi team in which I personally signed up and sponsored her over a year ago. She truly loved her jewelry and enjoyed her small business. I worked closely with her to help her build her inventory and establish a working foundation to bloom her business. She was an awesome team player and friend. All of us will truly miss her!! This was a shock to us all but we know heaven got an angel. She also attended the same high school I did at Deep Creek High. We love you girl and thank you for the time you gave us here on earth! We will always remember the good ole' times that we had. Love you sis. Till we meet again! Teruscia & Jay Holley
