“ Schoolie. Man, there are no words that will tell you how much I am going to miss you. From our first meet in 'A' School to our last conversation, you have always been true to who you are. We shared some great memories for over 30 years. From our daily laughs, to playing spades and bid whiz, going to the basketball and football games, betting \$2.00 on a horse to win at the track because we were too cheap to spend over that, and many many more. You are an Outstanding Man, Father, Husband and Friend !!! You will not be forgotten. Rest in Peace !! Anthony AKA Schoolie.
