“ To my beautiful baby girl, I constantly reminisce about the times we shared. How much you brought joy to my life and a new purpose for living. The days where you just wanted to lay on my chest and fall asleep (your mom hated that). Or how I could get you to stop crying with ease. I will forever love you Alaila! I thank you so much for the time we were able to spend together. Rest ease skittle 😊

“ I would FaceTime your mommy everyday just so I can talk to my Stick-girl(Alaila). I miss you being noisy in our conversations lol. I never got a chance to tell you to stay outta grown folk business lol. Your beautiful smile in your Easter dress is my favorite memory of you! Your smile brought so much warmth to my heart. I'm blessed for the time we spent together. I remember the first time I held you at the hospital to our last memory of you falling asleep in my arms. These are the moments I'll cherish forever. Rest In Peace Alaila, our Lord Jesus Christ has your keeping but you will forever be in our hearts. Watch over your parents, for they will always have your as an Angel by their sides. I love you stick-girl 💕👼

“ Lay, I can't even say I know how you feel  
because nobody grieves the same. What I  
can say is Earth has no sorrow that heaven  
can not heal. You will be in my thoughts and I  
will be praying for you IMMENSELY through  
this time. I love you & hope God heals your heart and mind. ♥
