

Albert Lee Whitley, Sr.

August 10, 1942 - May 11, 2023

Albert Lee Whitley, Sr., who made his mark in Portsmouth, Virginia, through his entrepreneurial spirit, his futurist thinking, and his love and kindness to all who he encountered, died on Thursday, May 11, 2023, in his beloved home. He was 81.

Born and raised in Middlesex, North Carolina, Albert was a dreamer. In childhood photos of Albert, he can be seen dragging his little wagon behind him with a glint of purpose and determination in his eyes.

Known to those who knew and loved him as “Whit,” Albert set off for college, attending Elizabeth City State University in Elizabeth City, North Carolina. During his time there, Whit pledged Omega Psi Phi Fraternity, Incorporated, Lambda Gamma Chapter, in the fall of 1965 and was a part of the Swinging 18 line that crossed on December 11, 1965.

As the first “Omega Man” in the family, his influence inspired six more Omega Men to pledge to his family.

Shortly after graduating from Elizabeth City State University with his Bachelor of Science Degree in Industrial Arts. He would later additionally earn his Master of Arts in Education.

Albert met the love of his life, Evelyn Louise Ellis, while attending Elizabeth City State University. Evelyn once said that she fell in love with Whit because he sang beautifully.

Soon after graduation, Albert and Evelyn met and married on August 24, 1968. Two children were born into their union: Albert Lee Whitley, Jr., and Jonelle Leneé Leary. Albert and Evelyn shared a beautiful life of love, laughter, and friendship for 54 years until Evelyn's passing on February 11, 2023.

Both newly minted educators, Whit got a map, discovered the town of Portsmouth, Virginia, and secured a job at Wilson High School teaching trades skills. He also secured a teaching job for Evelyn, which launched her career in education. From that one inspired decision, Whit set out to build a community of family and friends.

As a developer, Whit found a new home community – Carson Crescent – being built around a man-made lake. He secured a small business loan, purchased the land for his home, designed that plot of land, and built that home himself with love, care, workmanship, and precision. He went on to build many of the homes currently within the Carson Crescent community and other developments throughout Portsmouth and the Tidewater area.

Albert's entrepreneurial mind led him to start and grow a plethora of successful businesses throughout his lifetime. Some of those businesses included W.W. Builders, Whitley's Bail

Bonding Agency, Med-Transit, and Country Favorites Restaurant. His business savvy and his love for teaching led him to coach, mentor and employ hundreds of young men throughout Portsmouth. Some of those young men he taught trades to at Wilson High wound up working for him at one of his

companies or becoming entrepreneurs themselves. He inspired many in his family to start and grow their own businesses.

Whit loved opening his and Evelyn's Carson Crescent home to family and friends for summer breaks, Christmas gatherings, family reunions, or spending time with loved ones.

Over the years, he never met a stranger, and he touched the lives of everyone he met.

Albert is preceded in death by his wife, Evelyn Louise Ellis Whitley, and his father, Benjamin R. Whitley. His mother, Quilie Barnes, and his sisters, Delores Whitley, Mamie Lee Johnson, and Helen Whitley. He is survived by Albert, Sr. is survived by his son and daughter Albert Lee Whitley, Jr., and Jonelle Leneé Leary; his siblings Benjamin Johnnie Astor Whitley, Jr., and Jesse Whitley; five grandchildren: Antonek Tyquasia Edwards, Jordan Kalis Leary, I'lasia Margaret Cannon, Khari Isaiah Whitley, and Aji Leneé Whitley; and a host of nieces and nephews.

“ On behalf of the Fortson Family we extend our heartfelt sympathy. May the Lord comfort you in the time of your loss and you find comfort in knowing that others care. He would often say that we were related and called me 'cuz.' We have friends and relatives in both Wilson and Stantonsburg, NC. May the many happy memories sustain you now and in the days to come.

“ My condolences to the family. He was my uncle's line brother. I remember his brother in law Steve wearing his Lambda Gamma 65 sweater one day in Winston-Salem NC when I had my uncle's Lambda Gamma 65 sweater on. We laughed that someone from Weldon and someone from Garysburg would be on campus of Wake Forest University with Elizabeth City State Omega sweaters on. Praying for the family and prayers from my uncle Ralph Ransom Sr. , who won't be able to attend his line brother's home going due to health obligations of dialysis Thursday morning. GOD bless you all.
