“ Sending our heartfelt condolences to Alfreda "Frieda" McCray & family. Frieda was so many things to so many people. There are no words, that we can express, on the impact that Frieda left in all of our lives.

For years, at Norfolk Naval Ship, we had the distinct pleasure of working with Frieda. We worked many Federal Women's Program (FWP) projects together. Every program she coordinated, was done with preciseness, perfection and professionalism. Every project was a cut above the edge!. One of her notable assignment, was volunteering her time tutoring students once a week. Through the Personal Excellence Partnership Program (PEPP), Frieda was able to bring and speak life into the minds of her students. She embodied the art of teaching her students to work and study hard on their learning journey. She blazed the path for her apprentice students at TCC as well. Failure was truly not an option for Frieda. She spent many tireless hours staying over after shift, to assist a failing student with a subject. There were numerous community outreach projects that touched her heart as well. That was the spirit of our Frieda! She had a passion for helping others, regardless of their circumstances. We wholeheartedly thank God for allowing our paths to cross over 40 years ago. Long after retirement, she still was assisting her students whenever she could. What an unyielding sacrifice.

She truly left a legacy for all of us. We thank God for how she inspired us continue to go forth on running the race...

Rest on our sister Frieda, your work here on earth is done! Lord knows, you fought a good fight and you kept the faith. I will truly missed making your favorite vegetable and chicken noodle soup! Sheila will miss cooking your favorite greens, and all our lunch and birthday outings. Your memories will forever be imbedded our hearts.

“ I was devastated to hear of Freda’s passing. I met Freda when I was 16, my very first job working at NNSY. She made work so much fun. She was there through my high school graduation, proms, college, child births, and my mom’s death. As I went through my apprenticeship she always encouraged me to keep pushing. Her office was my escape. She always was there to listen and give her input...lol. I’m going to miss that laugh. My prayers go out to the family. May God strengthen you through this time and the days ahead. Thank you for sharing her with so many. She will never be forgotten. My “shipyard momma”...Take your crown Diva 🥰. Love you always!

To the McCray Family: Prayers of Comfort and Peace during this time. I have been knowing this family for a very long time. LaToya and I were in the 4th grade together and Lil Mac and my brother grew up together. Momma McCray, as I called her was my girl, our conversations was always laughter and words of encouragement and praise. Through the years as we grew older, I saw Ms. McCray and we didnt skip a beat. Was always a dresser and again had the best conversations. I noticed her illness but she always spoke life over it and that's what I loved about her. God you have a stylish diva in your midst that loves you so much! Rest Easy Momma MCCray until we meet again! I love you

“ My heart goes out to Freda McCray family. My prayer is that God will continue to bless and keep the family in His care. I recalled meeting Freda when I came to work in shop 72 during the year of 1987. That was thirty- three years ago. She was truly a sweet and warm lady, who was always willing to help anyone. She was genuinely a true friend. As years past, she became another “loving family member” to me and my entire family. She became my big sister! We shared so many memorable moments together. I was grateful for her support as a big sister, when I was experiencing some trying times. I will forever be thankful for her kindness, love and compassion during those uncertain days in my life. Before retirement, I observed how she became a driving force in and around the Norfolk Naval Shipyard. Freda was indeed a shipyard icon! She made a difference, as she became a positive influence, in the lives of many shipyard employees and managers. Her hands-on knowledge and leadership skills, with shipyard apprentices were not overlooked. She gave us all hope, that we could work and learn beyond our potential. I’m so proud to know she was a part of my life. My heart is heavy and tears are flowing; but God knows best. May God continue to bless and strengthen the family during this time.

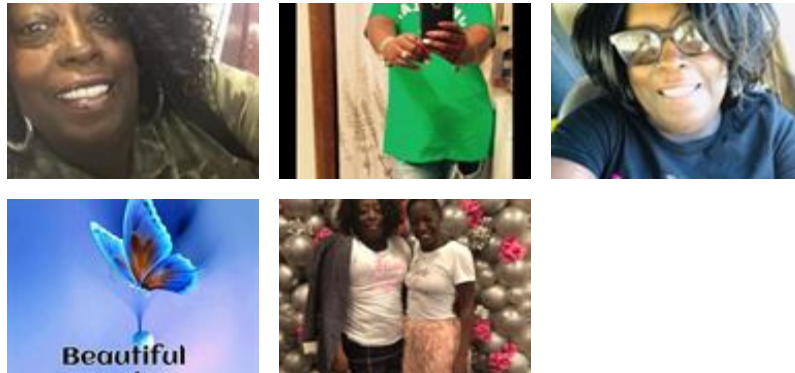

Love and prayers,

“ Come unto me, all ye that labour and are heavy laden, and I will give you rest. Sleep on Sis Freda. Your work here on earth is complete. Sleep until the trumpet sounds.
Family; Be Strong in the Lord. Seek God while he is near. Draw nearer to him during this time of bereavement. He is your foundation, your love, your faith, your hope, your joy, and your peace and your life.
Comfort thee thy people God. Rejoice in the Lord and give him praise and honor. He will meet you right where you are in life. Let the strong help lift up the weak. Be encouraged and trust God in all situations. We thank God for the life he gave Freda. God has spoken; let the CHURCH say AMEN. Hallelujah

“ I would like to express my condolences to the family of Alfreda (Freada as I called her).
I met Freada around about 2005 at NNSY. We rode to work together in the van pool. Freada was a joy to be around. We often sang praise songs on the way to work. One of favorites was (Somebody Prayed for Me). She will always be remembered.
