“ You have my deepest sympathies for your loss, the sting of death is most painful. It's saddening we have to lose loved ones all the time, and that's because we've inherited sin (Romans 5:12) but we've received a great gift from our God Jehovah (Psalms 83:18) that gives us a future and a hope (Romans 6:23).

“ Our condolences to the entire family. Joanne was a wonderful person who always lit up any room she entered. We will miss her warm smile and outgoing personality. She will be sorely missed by all she touched.

“ My deepest condolences to your family in your time off loss. Joanne was such a strong and determined woman .She also was like a second mom to my sister and I. I remember she watched us when our mom was at work when we were kids and how I admired her. How my sister used to try on Joannes high heels and walk around in them in the living room, and how we loved going to the gatherings she had at her house and loved her cooking. These memories I will always cherish. She always treated us like family and it is so rare that you find someone who cares for others unconditonally like she did. She will truly be missed.
