“ *The number 9 often symbolizes completion. The end of one cycle and the beginning of another. Although your journey is complete here on earth, the bible states that “To be absent from the body is to be present with the Lord. Your joyous laughter, and outgoing personality will be missed abundantly. The way you always started your day with high hopes of knowing that it will indeed be a great one, was love within itself. You woke up early mornings and got dressed for the occasion, even if there wasn’t an occasion. You allowed music to use you by showing that you felt every bit of the beat with your untouchable dance moves. You were always smooovee. The family will Miss you more than words can explain, but with faithfully hearts we know that God makes no mistakes, and it is well with the lord. We will continue to cherish all of the memories we had with you until the end of time. Get your rest Helen White’s number 9 out of 11. Forever In our hearts*
