“ Even though it has been many years since I've seen her, I remember the cute little girl that Mother Sharp would take along with me to church. All of the grands were the apples of Mother's eyes. I can see both her Mom and Dad in her. May the family find peace by believing and resting in Jesus. Malissia (Mae) Lassiter Lee

Dang Girl! I can't believe my road dog is gone. As I reflect back , we share some many things and times. We were like sisters. You held my secrets and likewise. in my heart they will stay. Wasn't nothing to pick up the phone and talk for hours. Last month when I lost another friend you were there to fill the void. Who's gonna fill this void? Thanks for being there when family was nowhere to be found. I love ya. "Alba"! You are truly missed!
