“ Sending heartfelt condolences and prayers to the family. Cuz, as we called him will definitely be missed. I know Aunt Lucy is waiting for you with open arms and give Uncle Jack, Fred and Aunt Melissa a big hug from us.

“ *Skeet, as he was affectionately called during his childhood was one of the gang of Mt. Hermon kids that played happily in the neighborhood, until the streetlights came on. That light would signal that dinner was ready & it was time to go home. Well, Skeet...your crown in heaven is ready & God called you home on Sunday, October 19, 2025. Rest well, my friend. Condolences to all who loved & knew James Reynolds.*
