“ *Patrice, I'm going to miss you more than words can say. You will always be my big sis, and I will forever love the memories that you and I shared. You meant the world to me, and it has and always be a joy being your little sis, the laughs, the cries we shared together, and most importantly, the love that we had deep in our hearts for one another. I'm going to miss you pretty lady, fly high my girl. I love you boo, as you always say. 🥺 Your sis, Lynn*
