GW

“ I was so sorry to hear of Annette's passing. It is still just hard to comprehend. She was so full of life and lived it to its fullest. I met Annette when we both had a place at Whippernock and she was just an immediate friend. We have cruised together and whatever we were doing, always had fun. To the family, please know that you are in our prayers. RIP Annette, until we meet again. Love you! 🙏

GW

My Mother, meant more than life itself. You just missed your grandchild, by a year. You'll never know, how much she takes after you. Rest in Peace, My sweet Mother.
