“ Good morning and God Bless, I am sending this e-mail on behalf of Ms Peggy Holland and Carl Pearson who are currently in Jackson Tennessee attending to a ailing family member. She ask me to convey her deepest sympathies to you and your family.

Dear Dr. Brown and family, "it is said each friend represents a world in us, a world possibly not born until they arrive, and it is only by this meeting that a new world is born!!!! Annie Mae has represented a new world for me which my spirit will truly miss her chatter, laughter, or just swapping family stories, giving and receiving support I will miss, my joy comes in knowing that she is now with our heavenly Father, in a better place than here on earth this brings me unbelievable joy, joy that will sustain me until I see my friend once again. James Johnson wrote "and God smiled, a rainbow appeared, and curled itself around your shoulders," welcoming you Home. See you when the Lord calls for me.

Sincerely yours,

*Ms Peggy Holland##imported-begin##PEGGY
