Everyday we saw each other we would joke about something whether it was about the Deadskins or I'd say where's your man purse & he'd say no,no,no it's a satchel lol there wasn't a time that I would enter the Q without saying hey cuz followed by a joke & a smile. “ My Husband and I was very saddened to hear that our friend Tony had gone on to be with the Lord. We send our love and prayers to our dear friend Charisse and family. Tony always had a smile on his face when he will greet you. I always enjoyed working side-by-side with him serving the Lord, as he helped lead praise and worship service on Sundays. I will always remember whatever was needed to be done in the church he did without question and out of his heart. Tony and Charisse have always supported me, whenever I would have a program, they would do all they could to attend. It blessed my spirit when I would see him come in the room escorting his beautiful wife, it would make my heart smile. Tony, you will be truly missed.

“ We all loved Anthony at the "Q" security team. A great supporter and a team player and a friend to all. One thing we know God is loving and to wise to make a mistake. So to be absence from the body is to present with the Lord. We loved him but God loved him more and called him from labor to reward.
Sincerely,
