“ Tony, I’m so glad that when I ran into you we hugged and talked, after all we’re extended family because of our mothers. Well I’m sure Maudie P embraced her baby and I can hear her saying no more troubles baby we are free. To the family be strong and continue to carry on your family legacy with grace. Love all of you and pray your strength in Christ especially during this difficult time. Lovingly sent Michelle Key Parker with Mom and our family.❤️❤️
