

Anthony Jerome Vass

February 23, 1968 - May 22, 2015

Hi, everyone who knew Tony knew that he was a fun-loving, care free, and spirited person that would do anything he could for you if he had the resources to do so. Tony's untimely death has come as a shock to his family and friends. Although, we are doing everything possible to take care of the financial arrangements for his homegoing service even with the discounts given to us by the funeral home we still are asking for your support. Please help us show our love and final support for our brother, father, and friend Anthony J. Vass.
