“ Latiya, I just learned of this sad news from our mutual "lunchtime" friend and I wanted you to know that I am only a phone call away if you need to talk or yell or just be. I cannot imagine what you are feeling or if you have even begun to feel anything yet, but please know that you and your family are in my thoughts, prayers and in my heart.##imported-begin##Jane A. “ *Everyone dreams of that one great friend
The friend that would give you the world if they could
That type of friendship is a once in a lifetime thing
Many of us found that friend in you*

*An ear when our minds where racing
A hug when our hearts were heavy
A dollar when our stomachs were empty
The things above alone give people
A glimpse into what type of man you were*

*From this day forward when you are thought of
We promise to remember the great things
Such as your big caring eyes
And the smile that gave away just how frindly you truly were*

*Now with all those things being said
I will now just say
Farewell my friend
Until we meet again.... Latoria 8/4/11###imported-begin###Latoria

“ While we surely will grieve our loss, and adjust to life without such a wonderful spirit. Cry not for Antwan, for he is sitting in the presence of the Lord of Lords. Praise the Lord for His salvation and defeat of death. "Whosoever believes in him shall not perish but have everlasting life." John 3:16

“ *Antwan was the joy of our department here at Canon; you could always count on him for a good joke, a great smile, and a uniquely lovely outlook on life. Antwan worked with many of us here, but always took special trouble to say goodnight to each of us by name as he left to go home. I miss saying goodnight to a great coworker and a remarkable human being. I hope his family can take small comfort in knowing that Antwan spread happiness everywhere he went here at Canon, and he is sorely missed by everyone who cared for him here.*###imported-begin###Jessica Ewell###imported-end##

“ *You can shed tears that he is gone,
or you can smile because he has lived.
You can close your eyes and pray that he'll come back,
or you can open your eyes and see all he's left.
Your heart can be empty because you can't see him,
or you can be full of the love you shared.
You can turn your back on tomorrow and live yesterday,
or you can be happy for tomorrow because of yesterday.
You can remember him only that he is gone,
or you can cherish his memory and let it live on.
You can cry and close your mind,
be empty and turn your back.
Or you can do what he'd want:
smile, open your eyes, love and go on.”- unknown RIP
