“ *April was a very caring & compassionate woman. Loved to smile, joke, & laugh. I was one if her transportation specialist. To the family, I pray that God gives you strength, peace, & grace. Know that she never met a stranger & wouldn't want anyone to be sad. Rejoice in the lovely memories she left behind. Peace be unto you all.*

I am so happy I got to know April over the last few years. She is proof that we don't have to be who we once was. She had come so far over the years and I told her all the time how proud of her we all were. She had a way of convincing me to sneak her to a thrift store when it wasn't Thrift Store day. I miss hearing her laugh, she made work a lot of fun. I'm sad for all of us who are missing her, but happy for her that she is no longer in any pain.
