“ Arthur Lucas was a very caring and funny person. He assisted me in the Admitting Department at Maryview Hospital. He was loved by the patients and my co-workers. That smile would light up the front desk where he sat. He didn't have a problem showing or escorting patients to where they needed to go. He was a talker he loved entertaining people especially women. He was here for me when I needed him. I truly appreciated his help and his being there for me when I needed someone to give me advice. Mr Lucas rest in peace.

“ I am so happy I got to spend time with him before he got his wings. My daddy could not stand seeing flies in the house. He would say, fly, fly and he would be going crazy trying to kill it. It was the funniest thing to see. Every Sunday he went to church dressed to perfection with his bible in his hand. He could quote those scriptures and that was one of the many things I loved about him. Daddy I love you so very much and I will miss you dearly. Tell my brother Peter hello and I miss him too! So glad you finally resting and get to see your brother Uncle Bob, Aunt Jeannie, Grandpa Will, and Grandma Rosa and a few other loved ones we have lost along the way! R.I.H.
