“ Mr. Art was truly a humble & kind man and he loved his family. He was a wealth of information, family history and knowledge. He was a man with a plan and he loved to talk about his life, his family & his nephew Allen who he said was looking out for him and checking in all the time. When I would send him a card for the holidays, Bday, etc. he would say, "I got your love letter Cuz" and he would put his head down & do this little laugh! He knew so many people & loved to show your newspaper articles. I am going to miss stopping to see him and our talks. The grass, garden & collard greens and tinkering are another entire topic. He is a Patriarch & had a legacy of uncaptured information. Rest in Peace "Art" you will be missed and you where definitely Loved! Evette, Ron, Korey Brooks & Sister Shern Clarke and Deloris Brooks.
