“ I am heartbroken to hear about the passing of this beautiful soul. Ashley was a fellow brother in Alpha Phi Omega at VCU and a dear friend. She was the heart of APO and our group of friends during college. She was truly one of the kindest, happiest, giving, and welcoming people I ever had the pleasure of knowing. Most of my favorite memories from VCU have her in them and I will cherish them forever. While I have not been in touch with Ashley in the last few years, I know she was still bringing smiles and laughter to those around. My condolences to her friends and family. I wish y'all nothing but love and comfort during a time like this. Rest In Peace, dear friend. 💙💛

“ I met Ashley at VCU as a brother of Alpha Phi Omega. I didn't know that when I joined APO, I would have also made a lifelong friend. Ashley and I shared a lot of memories together. From going to concerts in DC to our game nights with our friends in Richmond. She was an integral part of our group of friends and we can already miss her presence. Sending her family lots of love and prayers.

“ Man what can say about Ashley Michelle Gray! She was one of the first people I met at Virginia Commonwealth University through the AΔI chapter of Alpha Phi Omega National Service Fraternity. She had a infectious spirit that bought love, smiles, and joy out of people! She became like an Auntie that way she would look out for me! She will be truly missed! Prayers for the family during this time. I pray God's peace and comfort be with them! ❤️ #LFS

“ *Ashley was a caring person with a great personality. She was my Big in the APO ADI Chapter at Virginia Commonwealth University as she was for many other students in the fraternity. It's no surprise, as she was always very warm and welcoming. I am deeply saddened to hear about her passing. She will be missed by everyone who ever had the pleasure of knowing her. My condolences to all of her friends and family.*

“ I am so saddened to hear of Ashley's passing! She was my Big in APO ADI Chapter at VCU in the Fall of 2011. Ashley was one of the kindest, most generous souls I've ever had the pleasure of knowing. While I hadn't seen her in a few years, I know she was still lighting up every room she walked in to with her contagious smile. Rest easy, my friend! 💙💛
