“ My heart is sadden today I just found out my riding partner who rode with me on services and Limo driver for the former Pretlow and Chapman Funeral Home has taken his rest. We shared many laughs and talks together while working at the funeral home. As many know him as Sonny but i called him Ashton he was a great guy I am sadden because he was like family. Take your rest Ashton thank you for being a great friend and thank you for your many years of service serving with the former Pretlow and Chapman Funeral Home.

“ Mr. Ashton Branch "Sonny" was a very sweet, a little stubborn at times but a lot of fun to be around. I was his Nurse and I'm really going to miss not seeing and talking with him....Sonny you are missed dearly, and I can still hear our last conversation before your health decline and you said to me that you really appreciate me because your last days was your best days since I've been caring for you....until we meet again Rest Easy Sir💖💖
