“ message: To my aunt, If what we have been told all our lives is true, then as you are looking down on me at this moment in time you know how I feel and what's in my heart, and even though life has not afforded us the things we have wanted or needed to express that love, I feel that you knew different, and for you others that might say otherwise, well let's just say this is for Auntie not you!!!!!!

“ What a great aunt and wonderful person. I never heard her say an unkind word about anyone. She sent me a birthday card once that read "Niece, you're more than just a wonderful young woman, You're living proof that brains and beauty run in the family". That card meant a lot. I still have it. It's also a glimpse into her silly sense of humor. Growing up she was the fun aunt. Full of laughter and practical jokes... and boy was she a great cook. I often called her for her recipes. While talking to Mom the morning she passed, Mom asked what I thought Audrey was doing and I said "probably playing bingo". She loved bingo. We will miss our loving "Augie"###imported-begin###Susan Chisman Burks###imported-end##
