

## Barbara K. Peters

December 14, 1932 - February 11, 2024

Barbara K Peters December 14, 1932 - February 11, 2024. Was surrounded by love while she quietly took her last breath on a Sunday afternoon. She continued to show amazing strength, courage, and kindness when challenged with Alzheimer's in her final decade. Barbara was born in Pikesville Maryland to Bo and Helen Kellar who adored their only child. She married a Naval Academy Graduate & began living the military lifestyle while raising 4 children. Virginia Beach became a permanent home for the family in 1969. She began a late career in teaching special education students at Pembroke Meadows Elementary. She enjoyed her children, granddaughters, dogs & cats, vacationing, always cheering at an Army-Navy game, Baltimore Orioles game, horse races and golf. She celebrated some of her finest years in her 60s and 70s. She was a classic lady who loved people, music, dancing, a good movie and a had an infectious laugh (with an infamous snort}. Her most defining quality was always thinking of others with kind words - making us all grateful for the pleasure of knowing her. Her strong faith has earned her a well-deserved place called heaven for eternity.

Barbara Lee, Mom & Grammy, we will miss you!

She was predeceased by her husband "Bill" and 3 sons: William John Peters Jr. Karl Howard Peters, & Kurt Norman Peters. She is survived by her favorite daughter, Lynne Ellen Peters and her granddaughters: Victoria Morgan Peters

& Delaney Patrice Peters with their mother, Lorraine Peters.

“*Lynne, I am so sorry to learn about the passing of your mom, Barbara Peters. I met Barbara when Lynne and I were roommates at ODU school for health sciences. Barbara was sweet, empathetic, and always making kind gestures to relieve the stress of working while a student trying to make the GPA. Barbara was blessed to have her favorite daughter to look after her needs when she was not able. Rest in paradise sweet Mrs. Peters. You're remembered as a kind gentle soul. Love, Linda Eisan*
