“ *Hi, this is Gloria Rollins, Retha Rollins daughter. I just found out about the death of Bernard tonight which is February 2022. I just want to say to the family, I'm so sorry, I loved Bernard. We used to work together and how you use to come to my mom's house on Bold Street to check on her even though he was in the wheelchair. You would always stop by to say hi to her, so I would just like to say I hope the angels of God watches over your family and Bernard for always. I'm sending much love to you all God bless.*

“ I offer my sincere condolences to the entire Johnson and Extended Family as you mourn the loss of "Uncle Honeycomb!"

Never once did I hear him complain, but always witnessed determination and a willingness to do all he COULD do no matter what.

Family, always cherish the pleasant memories and trust that God can and will comfort and keep you until we, who believe, reunite in Glory. In Jesus' name.

“ Maplewood Park was a wonderful tight knit community. My greatest memories are those we shared about our Dads. We had nick James for Honeycomb dad, Cornbreads dad & my dad...I'm smiling now at that memory & how much we all shared as children and as adults. You can fly now Honey.

“ To the family of Bernard (Honeycomb) Johnson, I and the Wilson Family send our deepest condolences . Growing up Honey was like a member of the family hanging with my brothers from playing baseball with Charles Pete up into adult hood with Moses Hudson's Softball team. He was always full of love, fun and jokes. Honey will be greatly missed as another one of my brothers gone so soon. My prayer for you is GOD ease your pain, lift your hearts, brighten your memories. For we know the pain is sharp, but from experience joy does come in the morning. May OUR FATHER's precious grace and mercy be with you. AMEN Love Betty Payton and the Wilson Family
