There was a reason for that yellow glow on your face, and even that brighter glow in your smile. God had blessed you with bringing joy to our family and yours. I was glad to witness that joy. My mother lit up when you came around, for you had so much love to give her. You and mom now have heavenly bodies, so you can dance for Jesus. Dance my brother, dance. You were good for my mother and my sister, and good enough for me. Dance in heaven Smitty, dance.
