“ *I am sad to hear of your departure, Ms. Bernice. I remember you let me and my baby come to live with you and your kids back in the day until I got on my feet. You were a good listener. You gave good advice. I remember asking you to speak with MY Mom when she got sick with her kidney failure. You were more than willing, just like always, to help someone in need even though you were sick yourself! Mom told me your information was really helpful to her! Rest her soul, she went on to be with the Lord December 10, 2005. You have definitely left an impression on my life and I thank you for that!! You will be greatly missed Ms. Bernice. You fought a long hard fight. Now, it's your time to rest peacefully. May God continually bless and protect your family here on earth who will be most affected by your absence. You will be greatly missed!!*
