“ *Angela,
No one knows the fate of the next moment, but to know you were there for your mother at this time was such a blessing from God. May you know you are in my prayers and may you find strength in His divine grace. Your mother is home now and she is so proud of you and the struggles you have endured. She has given you a strong sense of self worth to go forward from this day. May God always be at your side when you need a friend, at your back when you need a push, in front when you need to be pulled along, and in your heart when you think of the blessings you have been given. My sincere sympathy goes to you and your family. I am always here if you need me. Love, Sherry##imported-begin##Sherry Riser##imported-end##*
