To Rita and family.

Bert was a special person. He was so knowledgeable about how to meet and talk with people about their insurance needs. He taught me the business the right way. He was a good friend and great mentor and we had some wonderful times together in Arcapolco and Disney World. Although I haven't seen him in years, I have thought about him and what he was up to over the years. His name will always be one of the best at John Hancock as I recall he was inducted into their Hall of Fame at the Disney Presidents Club. Rest in peace my friend.
