“ *So sorry to hear this news. Betty and I worked together for many years in PCU and STPU. An amazing heart and person. Courageous. She always talked about her family and was so deeply proud of her family. Always a smile on her face. We shared many laughs, so many memories. Peace to you all. Prayers for strength during this difficult time. Betty will surely be missed by many. Debbie Matthews, RN.*

“ I enjoyed working with Betty for many years in Progressive Care Unit, Short Term Procedure Unit and Sedation Unit at CHKD. I found her to be a very good person, gentle and caring for her patients and friends. She could be very determined and stubborn when she felt she was right about an issue. And she always said great things about her family, she loved you all so much. I am sorry for your loss. Susan Ross
