“From the moment I meet you it was nothing but love and laughter. My heart is so heavy because of the unconditional love you and Sister have shown me through the years. I could never grow bored of you telling Billy and I about your war stories cause I knew a joke was coming at the end. We were family not only because you were my husband cousin/brother but you were also those things to me. It broke our hearts to hear that you were no longer with us cause that infectious laugh we would never forget. Now my cousin this journey has come to a end and you and your precious Ida are together once again. Oh what a glorious day for you ❤️! So therefore I know crying is pointless I will do anyway because you will be missed. To be absent from the body is to be present with the Lord! Rip Soldier your Journey has come to a End 💔💔💔💔

Dear Heavenly Father,

In the quiet moments of our grief, we turn to You, seeking comfort and solace. We come before You today with heavy hearts, mourning the loss of a beloved uncle who meant so much to us. Lord, we pray for his peaceful rest. Just as he has been a beacon of love and kindness in our lives, may Your light now guide him to eternal peace.

We ask You, O God, to envelop his soul with Your boundless mercy and love. Let him rest in the warmth of Your embrace, far from the worries of this worldly life. Grant him serenity and joy in Your heavenly kingdom, where there is no pain, only peace.

For those of us left behind, Lord, soothe our troubled hearts. Help us find comfort in knowing that our loved one is now resting peacefully in Your presence. Strengthen our faith that we will one day be reunited in Your glorious paradise.

Amen.

Our hope is that time and memories will help lessen the burden of your sorrow, and that you may draw some measure of comfort knowing that others care and share in your loss.
