“ Nancy and Sharon I am so sorry for your loss I remember so many fond memories of all of us being together especially fishing. Bobby instilled the love for fishing in me. To this day when I go to the lake and sit on the bank and fish it takes me back to those times. You are in my thoughts and prayers I love you both Connie and family.

“ To a man that love God and family with all his heart. I love you Bobby with all my heart and I will forever miss you. Even though you may have been my Uncle, I will always love you as father.
