“ *To The Elliott's, Grandison's & Lamb Families.....During this time... There will be hugs... There will be tears... There will be people who don't know what to say... And some who can still make you laugh... There will be pictures and keepsakes... Memories and stories.. Some you've never heard and some you could never hear enough... There will be sorrow... there will be celebration... But most of all there will be Love... the kind that never ends.*

“ *Bonita, Bonita, Bonita, my heart is bleeding, I am sad, angry and hurt but happy to have had such a beautiful sister in law, you were so nice, loveable, and caring to me, you have always showed me love, care and respect, you have 3 great, intelligent daughters you raised who deserve an A for how their respect for you as a mother was there, they have the greatest patience that anyone can have, they showed so much love and understanding towards such a great mom, you raised them to be who they are and it shows, they are who they are because of you, I am so hurt and sad and crying while typing this, my tears are rolling like a waterfall and won't stop, but they are all for you.....I will miss your love, your spirit but most of all your PRESENCE....You will never ever be forgotten, love you much....Peace to your continued life in heaven, the Angel's are going to enjoy you, but God is going to let you sleep in his kingdom with the best, RIP,no more, no more pain.....*

“ *My condolences to the Grandison & Elliott family .Its so much I remember from a little girl because we stayed next door where we grew up .But the main thing that stick out the most is how Bonita loved kids with the fat cheeks that she would pinch or bite on them and they would try to run away.I also remember that she loved always set on the porch singingAnother Love TKO...she loved that song ..another thing ...she was very funny . To her love ones that she left behind ...keep the faith and be strong and let God lead the the way..*
