“ *Renee & Mikey*

If only warm thoughts and gentle words could be sewn together. I would gather all I could find and create a quilt of comfort that would keep you from the sorrow's cold. I only knew your mom for one summer but in that summer she was very kind to me. I know you will miss her but loving memories you will always hold; forever. Know that caring thoughts are with you now. “ Mom,
I miss you so much. We had our share of problems but I was always comforted in the fact that you were close by, around the corner. Now you're not there. My heart aches knowing that I can't see you anymore. But I take comfort in knowing that you aren't in pain anymore and that nobody can hurt you ever again. I know you are in heaven with grandma and little grandma and you are pain free. I hope that you feel that I made right decisions for you. I love you always and will miss you forever.

The sun will no more be your light by day, nor will the brightness of the moon shine on you, for the Lord will be your everlasting light, and your God will be your glory. Your sun will never set again, and your moon will wane no more; the Lord will be your everlasting light, and your days of sorrow will end.

Isaiah 60:19-20

Forever loving you

“ Bonnie, *You lived your life the way you wanted to, never caring who judged or mocked you. You always stayed true to who you are and for that I admire you. I wish we would have had more time with you. I never thought I would miss you this much. I take comfort in knowing that you no longer have to suffer in this life. Until we meet again have one on me :) Love you always, Natalie###imported-begin##Natalie Cox##imported-end##*
