

Bradley Spence

October 16, 1977 - January 5, 2023

Bradley, also known as Boogie, was born on October 16, 1977, to Barbara (Spence) Penn. He was the first of her twin boys to be born.

Bradley attended Great Bridge High School. During his life's journey, Bradley had the eye and the ability to turn one man's trash into treasure. He would take that treasure and share it with the people he loved. It was nothing he wouldn't do for his mother let alone anyone he knew. He took time each day to go visit her or talk to her on the phone. No matter what he always ended each encounter with family and friends by saying, "I love you."

Boogie loved telling stories and joking around. He had the biggest imagination. He was fascinated with cars, trucks, motorbikes, and anything with speed. He loved fixing on bikes and working alongside his cousin "Caine" repairing cars.

He leaves to cherish his loving memories his mother, the apple of his eye, Barbara Penn (Cornelius), his sister Arika Mosley (Edward), Roderick Spence (Tarina), devoted twin brother Bevan Spence, and his baby brother Aaron Spence, and host of aunts, uncles, nieces, nephews, cousins, family, and friends.

“ I'm so sorry to hear about cousin Bradley "Boogie" passing. I can remember seeing Boogie and his brothers as young boys when my dad would take us over to Aunt Barbara's house to visit. I will never forget those times. I'm sad to know that he left here at such a young age. I pray that The Most High Yah will give you the comfort, strength, and peace that only He can give right now and in the days, months, and years to come. Continued prayers, and my condolences to the family.

It is with great sadness that I write this memory of Bradley. I am his Auntie Gwen by marriage to his Uncle Glenn Spence. I met Bradley when he was a very young boy. He and his brothers used to run and hide whenever we came to visit his mother and family. They always had big smiles on their faces when they saw their Uncle Glenn. As they grew older and became young men, they would always stop by to see their Uncle Glenn. Uncle Glenn would take them out sometimes and show them a good time. For a while we didn't see Bradley, however, we still kept in touch with him by letter writing or phone calls. Bradley was a very intelligent and caring young man. He loved his family, especially his mother, sister, brothers and cousins. They were very very close. He was his twin brother's best friend. I pray that his mother Barbara, stepfather Cornelius, his sister Arika, his twin brother Bevin, and his brother, Aaron find peace in knowing that he's resting in peace, no more pain and suffering and uncertainty in this life. Rest on Bradley. We will miss your infectious smile here, but God knew best. Praying for the family and friends of Bradley Spence. Rest In Peace 🙏💕
