“ It was a joy to have Brenda as my friend. We kept in contact. I just spoke with her a week before her passing. We were to meet each other the week of her passing. I was sad to hear of her passing and my heart is broken. She was a songbird, gifted and anointed singer. When someone you cherish dies you never get over it.. You just slowly get through each day. But you always keep them tucked safely in your heart. Rest in Peace my friend you've gone on to be with our Lord. I am missing you and will continue to miss you. As she would say, "kisses on your forehead right between the eyes."

“ Sincere condolences and sympathy to the family and friends. I will always remember Brenda for her sweet character and anointed voice. She blessed our ICN Class of 67 over the years. I will never forget her rendition of "How We Got Over" to the class at our 70th Birthday Celebration and so many other testimonies. She even blessed our LGBC Combined Ushers Anniversary in a mini concert. I know for a fact that Brenda understood her assignment on this earth and loved the Lord Jesus. Thank you family for sharing such a gifted friend with us. I will miss her telling me to "kiss Andrew on the forehead - right between the eyes." Andrew & Zeler Raspberry.

“ I was with Brenda at a birthday last summer and we spoke of the old days at ICN. When it came to ICN class of 67 Reunion functions, Brenda was always willing to lend her talents to add excitement and memory lane to where we had come from and the joy of life as a student at ICN. Brenda could light up a room and get you involved with songs she sang of any genre. I and many others will miss her and the joy she would bring with song at class dinners, funerals, cookouts, church services and birthday parties. Her talent and giving spirit will add to glory for she has gained her wings.

“ The first time that I met Brenda was in grade 6 at the new Brighton Elementary School. The school was not 100% completed but we were there in Ms. Rosa V. Daughtry's class. From that classroom, Ms. Daughtry formed a choir of Brenda Ash, Evangeline Bailey, Yvonne Graham, Beryl Grimes and myself (Linell Freeman). We sang at all of the programs that the school had, and were considered the Brighton Elementary School Songbirds. Brenda had a very distinguished and strong voice. Her voice was so melodious that you could not tell me that I was singing just like her. She encouraged me to continue to sing and to praise the Lord at all times. It was always a pleasure to see and to hear Brenda perform at concerts, weddings, funerals and yes even at our Class of 1967 Reunion programs. God blessed her with an abundance of talent, she so graciously shared it with everyone. I thank God for her and the ministry that she so well administered to all.

I can see her now in Heaven singing the angelic songs. May she rest in peace!

“ *Such a beautiful and melodious voice has been added to that great Heavenly Choir...*

She blessed our church often as a guest soloist for many years. I was always amazed at how she captured the attention of persons of all ages when she sang praises to Our God. (Even the 'little ones' would sit up to SEE who was at the mic.)

I know God makes no mistakes. I just ask that He will comfort and keep you, the family and friends, through these moments of transition. I encourage you to trust and believe in the messages she sang about while she was here with us. For we all :shall be home... some day!"

Until we all get to heaven, be blessed.
