

Brenda Atkinson

December 13, 1943 - January 9, 2022

Brenda Jean Ricks Atkinson was born on December 13, 1943 and passed peacefully in her home on January 9, 2022. She was affectionately known as Brenda Jean, Aunt Jean, or Aunt Brenda. She had a peaceful spirit about her and never complained. Although she endured dialysis, many surgeries, and amputations over the years, she was quick to offer a smile and a kind word. God showed his mercy and called her home. She worked for many years at General Electric. She also worked in the office of Dr. Saunders before retiring. She was preceded in death by her mother and father Elsie and Moses Gallop, both sisters Geraldine Ricks and Mary (Jim) Johnson, her brother Kenny (Elsie) Gallop, a nephew Tracy (Kimberly) Tillett, and her grandson Victor L. Atkinson. She is survived by her two children Harold Valentinus Atkinson and Cheryl Elizabeth Atkinson. Her many friends and relatives will miss her gentle spirit.
