“ Enjoli and family,

I once heard a comment at the Hall that the resurrection hope may seem so inadequate in comparison to the amount of grief that you feel at the loss of a loved one; however, in the future, you can be assured that it will offer an untold amount of comfort and solace to you. My deepest condolences to you and your family.

“ Keith,

So sorry to hear about Brenda. My Mom called me at work today to let me know and I immediately thought of Brenda's smile and laugh. That's what I remember most. I pray for you and your family (didn't know you had a daughter) in this time of sorrow. Take care.
