“ My deepest sympathy to the family in the loss of your loved one. I will keep the family lifted up in prayer. Be encouraged the holy spirit will comfort you day by day. A few things I remembered about Brenda: She loved talking about the goodness of the Lord, the musical instrument she played at one of the Women's Ministry Fellowship, eating lunch, running errands and sharing Christmas dinner at my home with family and friends. The last time I saw Brenda in the hallway at FBCD she said, "slow down and keep meditating on God's word".

“ Brenda was a dear friend of my sister, Agnes Fields, and I felt that she was a friend of mine as well. I remember sitting in my sister's dining room, after dinner, and spending the rest of the evening discussing the Bible. I was in awe of her knowledge and her soft, sweet voice. God bless you and your family.

“ Sister Brenda Dyson will be missed. Her very soft voice and words of wisdom and encouragement was very comforting. Her faith in God was shown in every word she spoke. You could feel the Love she had for God in her conversations. She didn't mind sharing the Word of God with you. She was a wonderful lady and friend. God's blessing to her sons and all of her family. May the love and memories of her remain in your hearts always. Mary Godfrey
