“ To my sister Bren-Lou,
On July 11, 2012, God called one of his angels
to be with him, my sister Bren-Lou.
I love you and miss you so very much, and I
cherish each and every moment that our
Heavenly Father allowed us to share together.
Our fun, our laughter and just being in your presence will never be
forgotten.
In my thoughts of you...I still remember your humor.
I know that our Heavenly Father makes no mistakes and I know you
want me to continue to cherish our moments of togetherness.
Rest in Peace Bren-Lou and I will meet you again some day...
With loving memories,
Your sister Rose~

“ A year ago God received one of his angels
and that angel was you,
It's been a year now and this is the day we
will honor you Bren-Lou.
You left us with lots of memories and smiles,
Although it seems just like yesterday it's been a little while.
You wouldn't want us to be sad or cry because you showed joy
even on days that we know you had pain...
But we will cherish the wonderful person you were through the
sunshine, clouds, and rain.
There were so many words that we wanted to say,
But we will try not to worry because we know we will see you again
one day.
In closure of this special poem because I know it must come to an
end,
I just want to say that we miss you and love you Brenda...
Our angel, my Aunt, and my friend...
