“ I only knew Brian for a short period of time as I am the other FedEx driver that delivered in the same area as he did in Suffolk. I must say he was one of the most respectful young men I've seen in a while. He always addressed me as Mr John and I knew he had been raised in a good home. Please accept my condolences and may god bless your entire family.##imported-begin##john beamon##imported-end##

I trust God will surround you all with his love and grace doing this difficult time. We were so shock to hear the news of his accident.
