“ Dear Rupert Family,
I attended Norfolk Christian with Brian for several years. He was always so nice to me and to everyone around him. I reconnected with Brian years later when we had a class together at TCC. At that point, I was a single mother feeling a bit estranged from any friends. Brian was happy to see me and didn't blink an eye at my situation. We reconnected immediately and spent lots of time talking and catching up. Brian was volunteering at KPC doing the lighting for the Easter play that year and it sounded so amazing and he was so proud of the production. A couple of days later, he surprised me with 2 tickets to go see the play. I took my mom and we loved it. I lost touch with Brian after that semester - it was long before cell phones and social media - but I never forgot how much kindness he showed me during that rough time in my life. I'm so sorry to hear of Brian's passing, but I'm so grateful to know that he is with Jesus in heaven. I know that when he arrived, our Heavenly Father said "Well done my good and faithful servant!"

In sympathy,
Jennifer (Edwards) Harrell
