“ *She is - not was - a beautiful soul. God created an amazing creature, and we're all hurt to see this taken away. I pray that we will see each other in heaven. And I mourn for you for I should of protected you from the abuse you endured. I knew what you were going through. I knew that he was abusing you, and now that wonderful innocent child of yours will witness everything. I can only hope and pray for your forgiveness when the time comes. I will pray for your two older sons and especially the safety of Isaiah. I am so sorry for not defending you. For not protecting you. I love you so much - you're a amazing friend and may God have mercy. Thank you for showing me that any kind of abuse should not be shrugged off. Thank you for everything you've done for me. You truly are a beautiful magnificent individual.*
