

Brooks F. Ostrander

December 10, 1954 - October 6, 2020

Brooks peacefully passed on October 6th, 2020, surrounded by love at home. He was 65.

Brooks accomplished his 3 main Life goals: the enduring legacy of Brooks Landscaping, remarrying the love of his life, Robin and having a (modified) Live Wake.

Brooks used his motto of “Flow and Sensitivity” to infuse his life with beauty, passion and a vivacious zest for life. His creative genius generated landmark possibilities with generosity and respect.

Brooks is survived by his wife, Robin (“...love is stronger than death”); his son, Jason; his two sisters, Troy & Holly; and his many other family members & friends. His dream for Brooks Landscaping will continue with Gail, Shannon, Scott, and his dogs Dakota & River.

The Family and Brooks Landscaping thank all who have expressed their love and awesome stories. The family will be holding a private ceremony. Brooks Landscaping Inc will hold a separate memorial at a later date.

“ Dear Holly,
Sorry to hear about Brook. I had talked to him a few years ago and we discussed his business and how much he liked it and we also discussed our years at FMA.
I am sure everyone will miss him.

“ We met Brooks through his talent of landscaping. We think of him every single time we walk outside. We just finished phase 3 of our yard transformation and love all of the details he added. I joked with him at one time when he was verbalizing his ideas for our yard that , "everytime you close your eyes it's another \$1,000!" He always wanted us to have a lion fountain for some reason. That was the only item we didn't jump on. I just ordered my lion fountain and will have his memory live on! Thank you Brooks for making customers feel like family. We miss you!

“ Married to this awesome man for over 27 years. All that knew us, knew he always called me his bride and love of his life.
He wanted to protect me from the future.
Will always love, adore and respect his wishes.

Ruby, I still remember when I met you many years ago and Brooks introduced you as "his bride"...and whenever I ran into him in recent years, that's always how he referred to you...I always thought that was so sweet. So sorry for your loss.

*“ Dear Holly,
I did not know your brother, however, I knew you from Lake Taylor, Poplar Halls and later, White Rabbit. You are amazingly talented, so I can only imagine your brother's creativity. It is heartbreaking to lose a sibling. He was young in my eyes.
Thinking of you with deepest sympathy in the loss of your beloved brother,

“ Brooks had a amazing talent for designing beautiful landscaping views. Every time I would ask him about a plant, bush, or tree that I wanted to buy and plant he would tell me “you don’t want to buy that you need to buy this”. and he was always right. I will miss him dearly and always be grateful for his advice and humor. Rest easy Brooks. All is well now.

“ Brooks was an awesome person. He was an amazing boss, terrific friend, and generous mentor. Over the many years I knew him, he became an outstanding adoptive father figure. I will cherish our many memories together.
