“ I offer up my prayers in behalf of Mrs. Allen and the family. May the Lord comfort you in the days ahead when the weight of Bo's absence is felt the most...I will miss my friend. There is no way that we can feel what you feel, but I pray that it will be some comfort to know that you are not alone...you're a part of us now who formed a kind of brotherhood with Bo in the shipyard...we grieve with you, and our thoughts and prayers will be offered up with yours for your healing.
