

Bryan Charles Clark

May 22, 1962 - September 29, 2022

Bryan Clark, 60, passed away September 29, 2022, after a long battle with Multiple Sclerosis. He was born to Thomas A. "Pete" Clark (deceased) and Barbara Marina Clark in Norfolk, Va. Left to cherish his memory are his wife Kathryn Duncan Clark, his mother Barbara, stepsons Christopher (Denise) and Chad Robbins, and a host of Aunts, nieces and nephews. Bryan was very kindhearted, with a great sense of humor. His goal was to make people laugh. Bryan spent most of his life in the sales industry and he never met a stranger. A celebration of life will occur at a later date.

“ *My must sincere condolences to the Clark family. His last words to me were that he loved me. He was in a lot of pain. I only have fond memories of my time spent with him. He made me laugh more than anyone else in my life. He was the closest thing to a brother in my life. My heart is heavy. RiP*
