“ Happy Birthday Rudee

It's been 8 years that I have been without you, and the pain is still sooo real. I miss you 🥺

Audrey - May 31, 2021 at 04:00 PM

“ *This day has been marked on my calendar
every single year
I cannot bear to miss it I still mark it as if
you are there
Every single year as I turn my calendar to
this day
I sing Happy Birthday (name) and just hope you
can hear me say*

*My memories are always near of the lifetime
that we shared
I hope that you knew how much I loved you and
how much I cared
Because in this life on earth we do not always
show how dear people are to us
and suddenly it's too late we can no longer
make a fuss*

*If I could send you a birthday cake with candles
to blow out
It would be on it's way to you of that there is no doubt
But I will light a candle as I say my birthday
wishes
and when I blow it out I will be sending you a
million kisses*

Happy Birthday Rudee

“ *Happy Anniversary Bryan*

*Thank you for your endless love
That helps me through each day,
And thank you for the memories
That never fade away.*

*You're the man I love
And I was proud to be your Wife,
And every day in some small way
I celebrate your life.*

*And though it's sad to think about
The way things were before,
When we are reunited
It will be forevermore.*

I miss you my LOVE

“ *MISSING YOU ON YOU BIRTHDAY*

*Today is full of memories
Happiness and tears,
Of Birthday celebrations
We've shared throughout the years.*

*And though I will always miss you,
The endless joy you brought,
Warms my heart with gratitude
And fills my every thought.*

*While you are in heaven resting
I hope that you can see,
How precious and uplifting
Your memory is to me.*

*I feel that you are with me,
In everything I do,
So I will celebrate your birthday Bryan
But I will spend it missing you.*

Audrey Long - May 31, 2016 at 10:27 AM

“ RIP My Love

*I sit alone now in the darkness of despair.
I cry my silent tears,
My heart is broken into a million tiny pieces.
The silence is deafening to my ears.
The darkness frightens me,
The shadows climb the wall.
I hear footsteps walking,
Passing through the hall.
The loneliness surrounds me,
It takes my breath away,
This is the pattern of my life,
Since that awful, dreadful day.
Without a clue
Without a hint
Of what was yet to be,
God called you home
To be with him
And took you away from me.
I walk, I talk. I carry on
When the sun pokes out its head
But when darkness falls
And evening comes
I cannot go to bed.
For this is when I miss you most of all
When I curl into a little ball
And cry those silent tears.
Watching the shadows,
And missing you.*

“ TO MY HUBBY HUB:

MISSING YOU AT CHRISTMAS

*Every day without you,
since you had to go,
Is like summer without sunshine,
and winter without snow.*

*I wish that I could talk to you,
There is so much I would say,
Life has changed so very much,
since you went away.*

*I miss the bond between us,
and I miss your kind support,
You're in my mind and in my heart,
and every Christmas thought.*

*I'll always feel you close to me,
and though you're far from sight,
I'll search for you among the stars that
shine on Christmas night.*

I Love you, RIP RUDEE
