“ Bryant taunted me every year during football season about my Cowboys and he didn't even have a football team. Nevertheless, he always had a smile and kind words. I will forever remember Big B.

“ My deepest condolences to the Smith family. Bryant was a mentor to me when we were employed together in the call center. We only spoke at work and shared an office in 2018. He always shared how much His love for his beautiful wife and daughters was his greatest gift. He shared his story of how he came to the military as a young Bryant in my hometown of California, by way of Mississippi. I'm very sorry for your loss Smith family my thoughts and prayers are with you.
